

AINI INTAN SAYLENDRA

DESIGNER

☎ 0882-1779-0374 ✉ aini.intan1812@gmail.com 📷 ainiintans 🏠 Wonocolo Baru, RT.19 RW.07

I graduated from vocational high school in 2023, majoring in Multimedia. I am currently studying at Surabaya State University, majoring in Information Technology Education, and am currently in my fourth semester. On campus, I have experience in the UNESA HIMAPALA organization and have several academic and entrepreneurial projects. I have one year of experience in a digital printing business, managing a clothing store, making and selling cakes, and selling bracelets. I am proficient in design software such as CorelDRAW, Canva, and Adobe Photoshop, as well as Microsoft Office applications such as Word, Excel, and PowerPoint. I also enjoy taking beautiful photographs of landscapes and objects.

EDUCATION

SURABAYA STATE UNIVERSITY

August 2024 - Now

Information Technology Education Program

Studied various programming languages such as Python, JavaScript, and CSS; learned backend software like XAMPP and SQL Server Management Studio; developed application and website projects; studied data analysis; and studied learning evaluation.

YPM 3 TAMAN Vocational High School

July 2020 - May 2023

Multimedia Department

Studied audio, video, and visual techniques; studied 2D and 3D graphic design; learned to create applications using Adobe Animate.

WORK EXPERIENCE

- **Graphic Design** - Worked at a Graphic Design and Digital Printing business as an employee and designer.
- **Seller and Manager of Eid Pastries** - Worked independently in an Eid pastry business, handling everything from baking and packaging to sales promotion.
- **Clothing Store Sales Assistant** - Worked in a clothing store as a sales associate.
- **Beaded Bracelet and Accessories Seller** - Worked independently in a business selling beaded bracelets and accessories, handling everything from bracelet production and packaging to sales promotion.

PROJECTS

- **SiJimpit** - A desktop-based Smart Jimpitan System for managing neighborhood association (RT) cash payments (jimpitan).
- **SINTESA** - A desktop-based Integrated Academic System for managing students' Course Registration Forms (KRS) and Academic Transcripts (KHS).
- **CoffeGo** - A mobile-based coffee ordering app developed to make it easier for users to browse the menu, place orders, and process payments.
- **Running Fest UNESA** - Website for Running Competitions & Events.
- **3D Model of the UNESA FBS Building** - A project to create a 3D model of the UNESA Faculty of Language and Arts (FBS) building using OpenGL/GLUT.
- **FMIPA Library System** - A web-based library management system for managing books, members, and transactions.
- **Personal Web** - Personal portfolio website.

SKILLS

Prototyping
Graphic Design
Time management

Basic programming
Project management
